BITE-SIZED LEARNING

Virtual Collaboration

Lunchtime Learning Series

Welcome

- Agenda
  - Quick Intros
  - Intro to Percipio-Skillsoft - Lisa
  - Watch/listen to **Exploring Virtual Collaboration**
  - Collaborate along the way and share what we know with each other!
  - Resources

Zoom Annotations

What are your challenges in Collaborating Virtually?

Loving technology over UX

My team uses Click Up, but we dont have a company-wide solution at the moment

We use skype and email and sometimes finding information (where did we talk about that?) is difficult

Security

Getting all participants to comment

technology issues
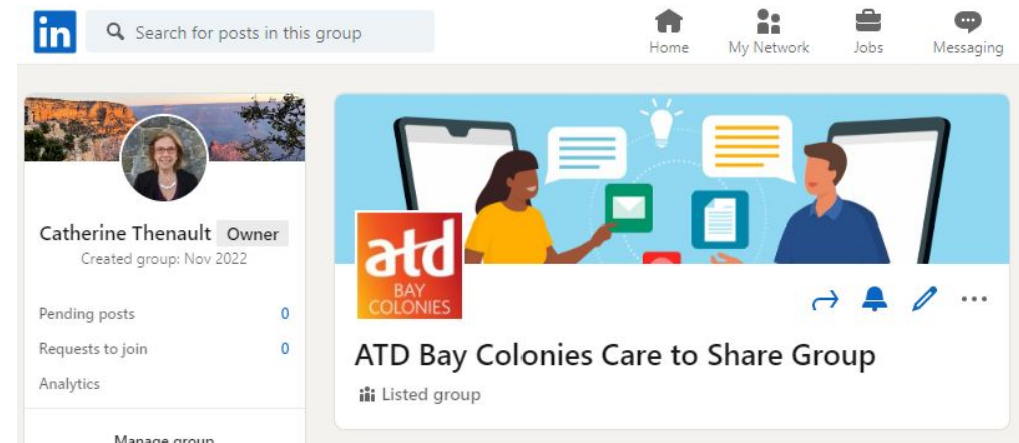

Various collaboration options - lots to learn for users

confusion if mobile or laptop

Getting people to focus

Hard to read body language

Talent Development

Other Resources

- Other Percipio Courses
- [Nick Florio Presentation – UC Irvine – ID Tools to Create Collaborate & Inspire](#)

- [ATD Care to Share LinkedIn Group](#)

Thanks!
